**Come and beat the drums with our Drums Alive! Drumtastic program. A FUN brain and body wellness program that combines aerobic movements with the beat and rhythm of drums synchronized to music.**

There's more to this camp than just banging on drums. We will stay active and play field day inspired games (lots and lots of games) where we will understand structure, figure out strategies and practice teamwork. Obstacle course, indoor soccer and parachute play are just a few games the camp will offer.

The program was created by former COJ! Chapel teacher Ms. Shannon, a Certified Master Personal Trainer and founder of the FUN FIT Foundation, to enhance physical development, promote social interaction, bring personal success and to have FUN!
